## Ms. Nichelle's Classroom Newsletter

December is full of lights and glitter and lots of fun for all of us. We will not be focusing as much on the curriculum this month. There are a lot of other fun learning activities to do in December.

We will continue to memorize Bible verses and learn about the birth of our Savior. Please review the Bible verse and story with your child daily.

We will be having a Christmas Party and if you would like to help or have something you would like to bring in please let me know. Be on the look out for more information on this.

*The Lord your God is with you, he is mighty to save. He will take great delight in you he will quiet you with his love, he will rejoice over you with singing.*

## Parent Pointers

This is a stressful time for us as adults. All the Christmas shopping, parties and activities that we do keep us pretty busy. Our children can become stressful too. Take some time out and read a book with your child or take a nice walk to look at God's creation.

Keep praising your child for their accomplishments and attempts.
