October is a wonderful month for learning. Our class will be working on many art projects each day, as well as letters, number concepts and counting.

We will continue to memorize Bible verses and learn about our friends from the Bible. Please review the Bible verse and story with your child daily.

Zephaniah 3:17

Room Parents Needed

I would like to ask for room parents to come in and volunteer their time during special activities. This would include helping to organize parties and special events. If you are interested please let me know.

Volunteers are always welcome to come in and help with a special project or to read a story to the class.

If you would be interested in helping in the class please let me know.
