Ms. Nichelle's Classroom Newsletter

During the month of January we will be learning about many of our animal friends. This will be very exciting. Please visit our class daily to see what we have learned and what we will be learning.

We will also be making a "Wordless Nature Book". I will be assigning homework each Friday for each child to find and bring back to school on Monday a nature object. This will be fun for you and your child. The book will be put together and will be available for reading each week.

We will also be working on listening skills and beginning to write names.

The Lord your God is with you, he is mighty to save. He will take great delight in you he will quiet you with his love, he will rejoice over you with singing.
Zephaniah 3:17
